

LIVEREEL TUTORIAL- How to Connect to Youtube

Follow these simple steps below:

1. Log in to your LiveReel account then go to **Accounts**. Since we're going to connect Youtube, click on **Connect** under the Youtube icon.

2. A pop-up will then appear and ask you to login to your Youtube account. You can chose an account or can Use Another Account and proceed with login.
3. You will then be asked permission for LiveReel to access your account. Click **Allow**.

Sign in with Google

LiveReel wants to access your Google Account

This will allow LiveReel to:

- Manage your YouTube account

Make sure that you trust LiveReel

You may be sharing sensitive info with this site or app. Find out how LiveReel will handle your data by reviewing its terms of service and privacy policies. You can always see or remove access in your [Google Account](#).

[Find out about the risks](#)

Cancel

Allow

4. Once done, you will see Youtube on the list of connected accounts.

The screenshot shows the LIVEreel dashboard with a sidebar on the left and a main content area. The sidebar includes options like Dashboard, Accounts (11), STREAMING (Create Stream, View Streams), Sub User Accounts (Client Account, Virtual Account), and Need Help (Training Center, Agency Training Center, Customer Support). The main content area is titled 'Your Connected Accounts' and displays a table of connected social media accounts. A red box highlights the first row, which is a YouTube account.
