a) **Dashboard**- The whole point of the web-based dashboard is that it lets you visualize the Key Performance Indicators and related graph in a single go.

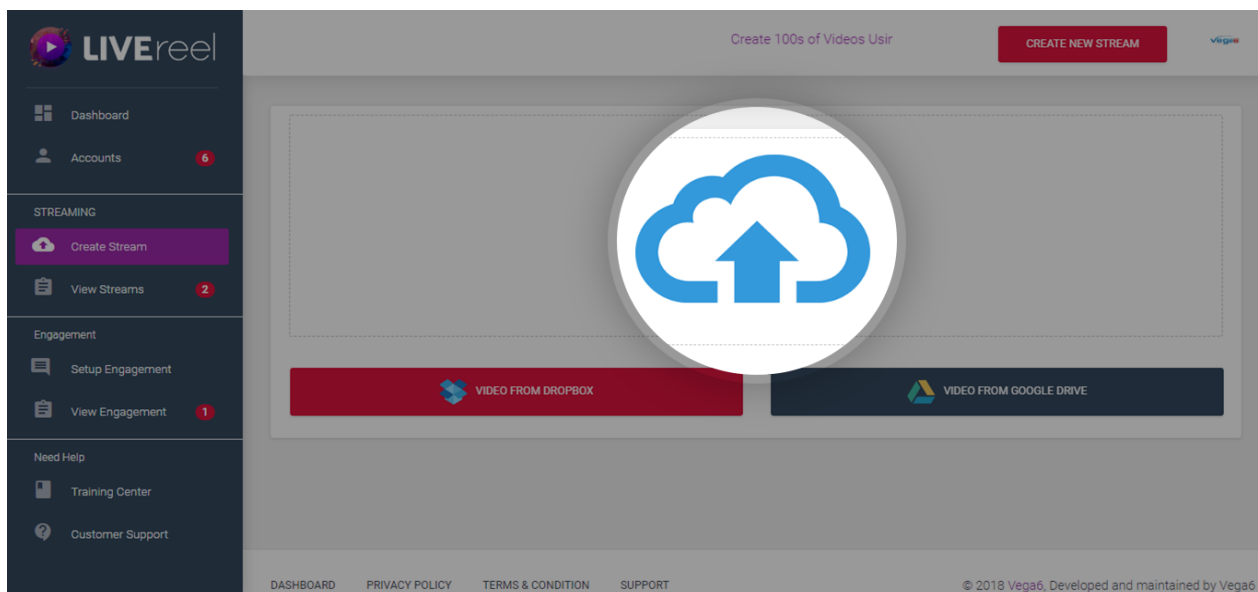

b) **Accounts**-Clicking on Accounts tab will get you to the account section of Livereel where you can check all your linked social account as well as you can connect social account from the list.

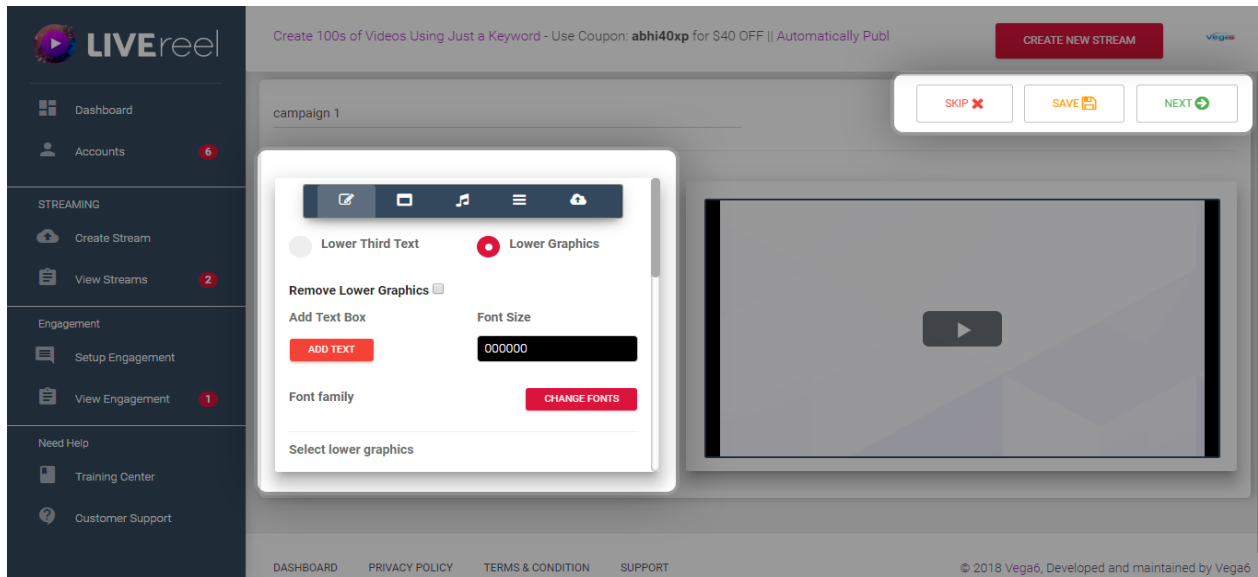

The Accounts page shows a table of connected social accounts. The table has columns for Name, Social, Created Date & Time, and Action. Each row includes a 'DELETE' button.

Name	Social	Created Date & Time	Action
Vega Six	Youtube	2018-06-19 05:12:28	DELETE
Vega Six	Youtube	2018-06-19 04:55:04	DELETE
aditya upadhyaya	Youtube	2018-06-14 08:48:27	DELETE
The Coders	Facebook	2018-06-18 11:27:08	DELETE
Diskit	Facebook	2018-06-16 10:22:19	DELETE

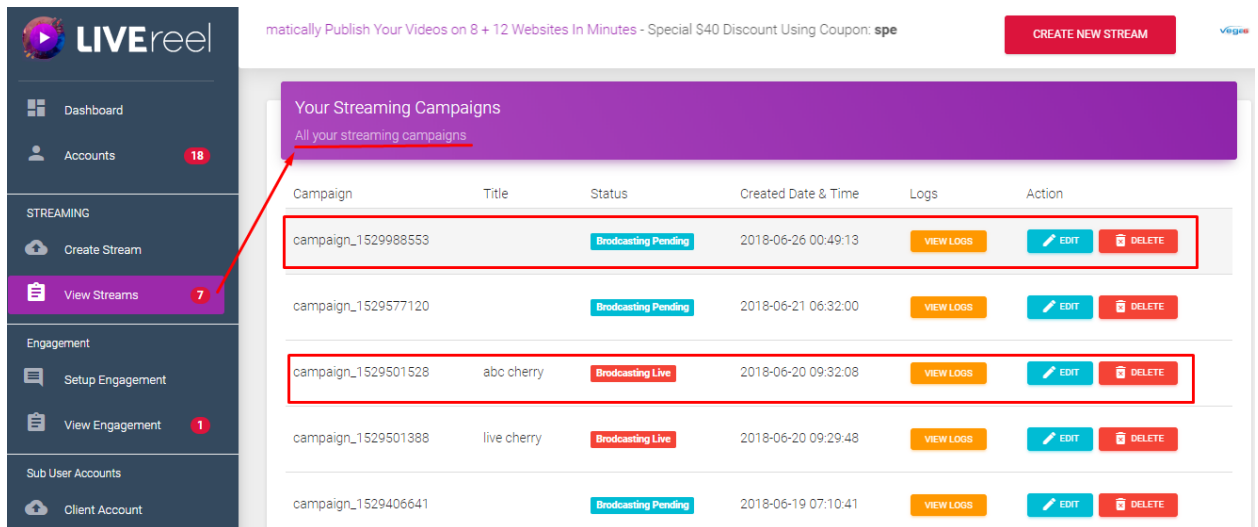

**c) Create Stream-**In Livereel you can create stream through prerecorded video files and customize to grab attention by adding lower third graphics or fully customizable text boxes to overlay your video. Create powerful video titles, call to actions and more. You can also add a frame to your live video to make it pop out on the page, grab attention and perfectly match your website or brand. Next, add automatic subtitles in any language — perfect for targeting different countries and untapped audiences!  
Finally, drop in your background music, watermarks and your logo to the Livestream video for maximum impact and engagement.

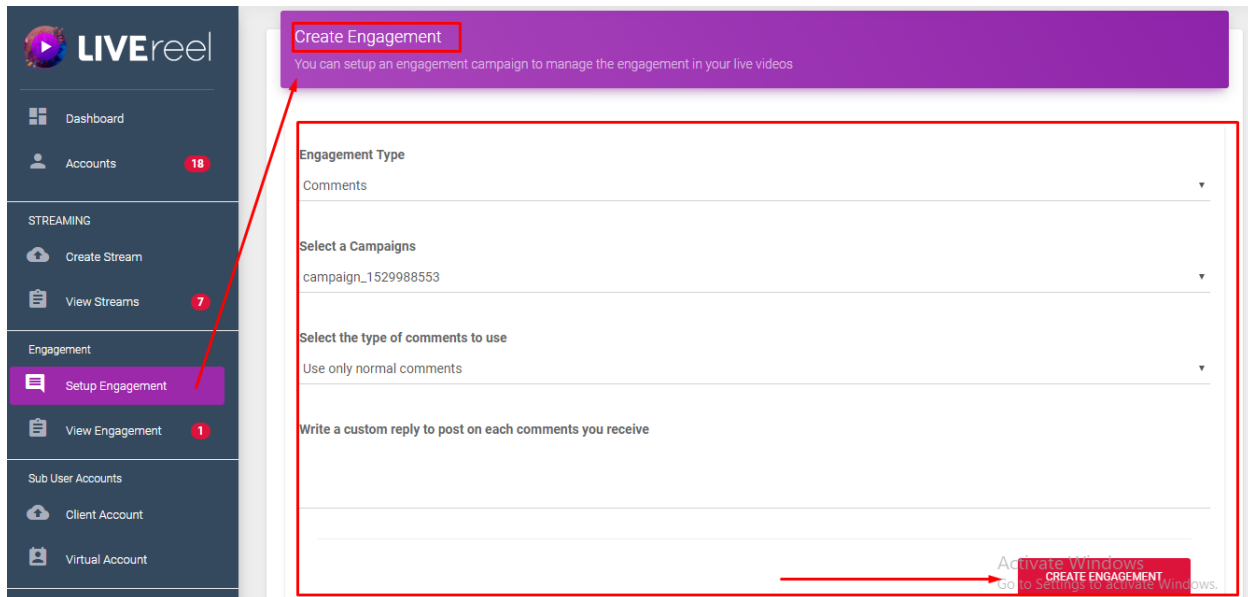

d) **View Stream**-Upon clicking on view stream you can check all your streaming campaign status/logs and you can edit as well.

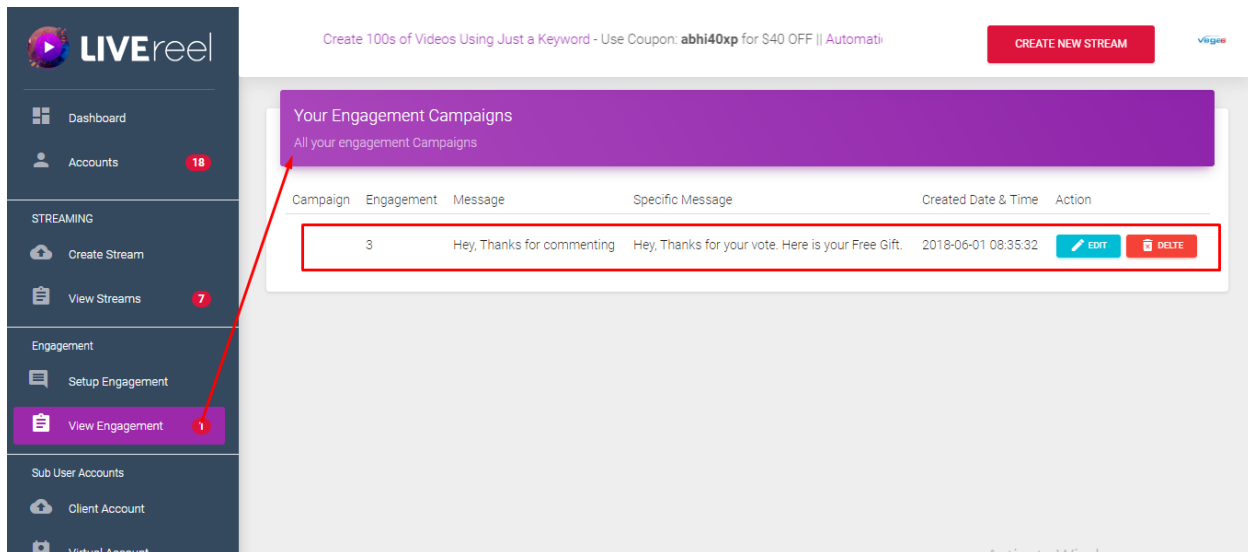

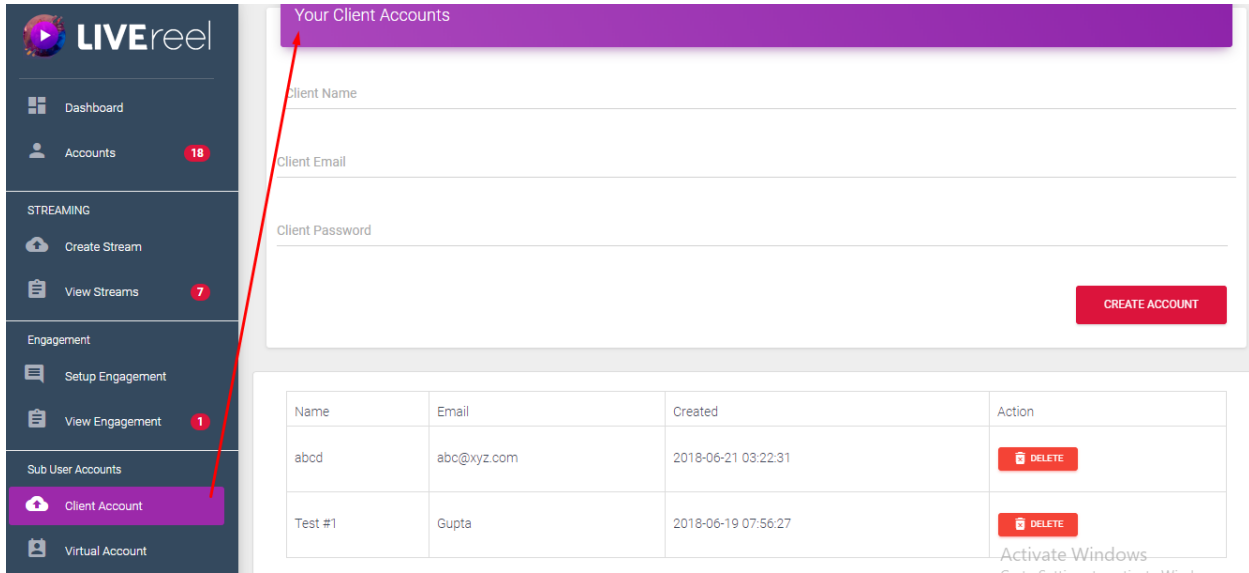

**e) Setup Engagement-**Clicking on setup engagement helps you to setup an engagement campaign to manage the engagement in your live videos.

**f) View Engagement-**Clicking on view engagement will show all your engaged campaign in detail where you can edit them accordingly.

**g) Client Account-** You can create client account for your clients as well as check the list of client created, through client account user can give access to clients who are only allowed to view the created campaign.
